2025/0903/P	Kathryn Gemmell	12/03/2025 08:41:59	OBJ	<p>We are concerned that the change of use will allow the venue to be use as a night-club even if not called a night-club, given that there are no restrictions on the operating hours. If you are to grant this change of use we would like to see the existing conditions retained regarding noise (from all previous planning permissions) and an additional conditions added that prevent the venue from being used as a night-club. This could be in the form of planning permission be granted subject to agreement of the operating schedule?</p> <p>When this was Proud Gallery it operated as a night-club and caused many problems. So I am writing to object to this application unless appropriate conditions are added to mitigate the clear risks it raises.</p>
