

Re application at Westcott Court 13 Holmdale Road NW6 1BH

Dear Sir/Madam

I strongly object the above planning application as it will substantially take away natural light for 13- 11 West cottages NW6 1RJ .Also to a lesser extent 10- 8 West cottages NW6 1RJ

There will be overlooking into the gardens and houses of West Cottages
For these reasons I strongly oppose the application

Application 2025/0284/P

Please note that the main drains of all of West cottages 1-13 NW6 1RJ go beneath the planning area in the direction of Holmdale Road .Any necessary foundations of the proposed building would disrupt these.

Thank you

Sincerely

Jonathan Kahan
