2024/2988/P	Georgina Arando	15A, Elizabeth Mews NW3 4UH	14/03/2025 14:24:42	OBJ	<p>In addition to previous comments and correspondence regarding this application, I wish to add my objections to the addition of a planned roof terrace.</p> <ul style="list-style-type: none"> • There are no approved planning permissions for roof terraces on either side of Elizabeth Mews. • [REDACTED] – the proposed terrace is a further addition to an ‘overlooking roof extension’, with the potential to overlook a side patio and two balconies of neighbours 15a 15b and 16 – with direct [REDACTED] spaces (which the whole proposed application already has). <p>The [REDACTED] will be a cost to the whole street, with the property at the entrance of the Mews and the proposed terrace looking out over the front and down the street.</p> <ul style="list-style-type: none"> • With a roof terrace comes the associated noise and sound pollution. <p>Noise and sound are already magnified in the Mews – a small, confined, compact, narrow, cobbled street. Noise is further amplified due to its ‘interior courtyard’ feel and structure, something that all residents have and already experience.</p> <ul style="list-style-type: none"> • Physical changes and use of the building over all will make historic and character impacts to this conservation area and environment – impacts that will and have set a precedence, that the future/residents will not be able to enjoy, partake of, admire and witness.
