To Whom It May Concern,

I write to object to the latest plans for the redevelopment of the above. The proposed tower structures will have a detrimental impact on the area. Whilst I am in favour of redevelopment, what is being proposed will place unmanageable pressure on surrounding infrastructure, and be a blight on the skyline and landscape of an area that is traditionally no more than a 6 stories high, impacting local residents and their enjoyment of the neighbourhood.

I do hope you will not approve this project.

Yours faithfully,

Stephanie Potschke
