Subject: For the URGENT attention of The Tree Officer/ Application ref: 2025/0868/T

Dear Sir

We would be most grateful for an extension of the 'comments' page for Application 2025/0868/T regarding the felling of a large Black Poplar tree.

I live in Ormonde Court and did not receive the 'Notification' until 8 March although your letter is dated 28 February. Only one other person in Ormonde Court (comprising 25 flats) received this notification. It is worth noting that many occupants living 16 Belsize Grove (location of the tree) have not received any notification of the proposed work either - and it is in their garden!

Oddly, your letter states that the Black Poplar tree is located at Flat 1, 16 Belsize Grove, London NW3 4UN - Flat 1 faces the street and has no view of the trees. It has been vacant for over 6 months?

We would be most grateful for an extension of at least one week in order for you to inform our neighbours of this work and give them a chance to comment.

Many thanks.

Margaret Caselton
