2024/5782/P	Jahque Price-Rees	25c Roderick Road London NW3 2NN	17/03/2025 17:23:57	OBJ	I object to this application on the basis of having not been consulted about this application. I have been a tenant at 25 Roderick Road since 1987. I object to the disruption this application may cause. Furthermore, I am concerned about how this application could decrease security in the building. The existing door is stable and sufficient and does not need to be changed. I expect to be consulted on applications so I can review in full.
