2025/0868/T	Sarah huberman	Sunflower House 68 Primrose Gardens	20/03/2025 15:51:00	COMMNT	Please don't remove and fell to ground the black poplar. These native trees are precious and as this is a conservation area should not be removed. The tree creates privacy right the way across Primrose Gardens. Also birds happily nest in this tree year after year. I would be very unhappy if it's removed.
