Dear Sir/Madam,

Best Practice Safeguarding Area Notice

Proposed Development at: Dutch House, 307 High Holborn, Holborn, London, WC1V 7LL

National Grid Reference: 530948, 181597

Cell Ref: CTIL_144584_25

In accordance with best practice principles, where a proposed development consists of the installation, alteration or replacement of a mast that results in the material increase in height within a relevant Aerodrome Safeguarding Area Map, the developer shall consult with the Civil Aviation Authority, the Secretary of State for Defence, Met Office or the aerodrome operator, as appropriate.

I give notice that Waldon Telecom, on behalf of Cornerstone and VMO2 and Vodafone Ltd, will be applying to the London Borough of Camden under the above principles for consent to carry out the following works:

Full description of proposed development - The installation of 2 no. additional antennas and the replacement of 3 no. antennas, the installation of 2 no. transmission dishes and 3 no. equipment cabinets and ancillary works thereto.

Please refer to enclosed drawing(s) reference: 100A, 200B, 201D, 300A and 304C.

I would be grateful to receive any comments that you may have no later than 14 days from the date of this letter.

Any comments received from you within this period will be considered by us.

Yours faithfully

Chris Andrews
Planning Department
Waldon Telecom Limited

(for and on behalf of Cornerstone)

* "aerodrome" means an aerodrome as defined in Schedule 1 to the Air Navigation Order 2016
