2025/1114/L	Cllr Linda Chung	Camden Town Hall Judd Street London WC1H 9JE	21/03/2025 23:40:24	OBJ	<p>I strongly object to this application.</p> <p>The window size should be limited to be only a top window opening for ventilation only.</p> <p>The applicants have ignored planning guidelines and objections of the neighbourhood and have created a door, which will permit access to the flat roof, thus in effect creating a roof terrace which will create overlooking and reduce the privacy of the direct neighbours. It will also potentially create a precedent for all the neighbouring terraced houses with flat roofs to create roof terraces.</p> <p>This will have a detrimental effect on the whole row of terraced homes, and reduce the amenities (particularly allowing noise and overlooking) and privacy of all the houses.</p>
