Subject: FW: Bonkers proposals for Ashdown Crescent ramp

Hi Molly

Please log this as a new ME

As this is now escalating, and need to make sure residents voices are being heard, and what actions will be taken

I also object to the kissing gates not going back, and I am requesting a like for like in this case

As it took many years to get in the first place, it does it's job, and we can't have it taken away, its as simple as that

Regards

Lorraine
