	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?	
A.2(b) A.2(c)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one	N/A N/A
A.2(c)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?	
A.2(c)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one	
A.2(c) Conditions.	timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development	N/A
A.2(c) Conditions.	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials	
A.2(c) Conditions.	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance	N/A
A.2(c) Conditions.	timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing	N/A
A.2(c) Conditions. A.3(a)	timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?	N/A Yes
A.2(c) Conditions. A.3(a)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?Would any upper-floor window located in a wall or roof slope forming	N/A
A.2(c) Conditions.	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be—	N/A Yes
A.2(c) Conditions. A.3(a)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and	N/A Yes
A.2(c) Conditions. A.3(a)	timber, plastic or tiles?Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?If no to any of the below then the proposal is not permitted developmentWould the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened	N/A Yes
A.2(c) Conditions. A.3(a)	 timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the 	N/A Yes
A.2(c) Conditions. A.3(a) A.3(b)	 timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed? 	N/A Yes N/A
A.2(c) Conditions. A.3(a)	 timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed? Where the enlarged part of the dwellinghouse has more than one 	N/A Yes
A.2(c) Conditions. A.3(a) A.3(b)	 timber, plastic or tiles? Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? If no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed? 	N/A Yes N/A
