2025/1269/P	CRASH	Flat d 11 Compayne Gardens South Hampstead London Nw6 3DG	26/03/2025 10:07:32	OBJ	CRASH (Combined Residents' Associations of South Hampstead) objects to the removal without consent of period features from a building within the South Hampstead Conservation Area and their replacement with unsympathetic modern versions. Double glazed "like for like" timber replacements would have achieved the same benefits whilst retaining the building's period appearance.
