Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Request for Observations to Adjoining Borough - No objection**

Address:  
**6 Farringdon Road**  
**London**  
**EC1M 6AL**

**Proposal:**

Change of use of Unit 3 from Class E(a) and Class E(b) to Class E(a), Class E(b) and Class E(c).

Drawing Nos: See Islington Council planning application ref. P2025/0577/FUL

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

**1 Reasons for raising no objection:**

The works include no external alterations and the change of use for retail and food and drink uses under Class E(a) and (b) to extend to financial, professional and other appropriate services in a commercial centre as defined under Class E(c). It would have no material impact on the London Borough of Camden in terms of its use, character and appearance or amenity. No objection is raised to the proposals as far as they relate to LB Camden. The application should be determined under Islington's planning policies.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with the National Planning Policy Framework. The council publishes its adopted policies online, along with detailed Camden Planning Guidance. It also provides advice on the website for submitting applications and offers a pre-application advice service.

Yours faithfully
