2025/1241/P	Nick Harding	1 St Anns Gardens London NW5 4ER	31/03/2025 15:43:15	COMMNT	<p>I was closely involved with this whole project as can be seen from this website https://sites.google.com/site/talacrefacts/</p> <p>One thing I noticed although I don't think it is mentioned in the website was that when the cover was removed from the building following its completion, it seemed that contrary to the planning permission, the affordable flats were no longer on the south side and the private ones on the north side but vice versa.</p> <p>The above I am sending in case it is of any consequence. I also need to say that due to the passing of time, I am not entirely certain of my facts!</p>
