2025/1115/P	Sara Boas	7 Primrose Hill Studios	02/04/2025 10:25:22	SUPPRT	I am writing in support of the application for the replacement of non-original glazing with slim double glazing. Slim double glazing in the existing frames will improve the comfort and amenity of these houses, and I believe this can be achieved without altering or compromising the nature of these Grade II Listed Buildings.
