| 2025/1192/P   | Joanne Skoulikas | 72 Parkhill Road   | 03/04/2025 10:27:21 | OBJ     | An additional, significant point to my earlier list of objections.<br>6. As the plans currently stand for the new construction, and according to my understanding of them, the glass doors will have a full and direct view into the living room windows of Flat 2 of 72 Parkhill Road. This will be a clear breach of privacy of those living there which is not currently a problem with the existing outbuilding. |
