2025/1342/P	Michelle Cullum	Allcroft Road  LONDON	09/04/2025 11:31:42	PETITNSU PP	<p>As a fellow resident of Allcroft road I fully support this application.</p> <p>With the planned huge development of West Kentish Town estate the council should be allowing those of us who live on the road the ability to be able to improve our homes and give us the much needed space we need, especially for those of us with growing families so we can continue to work and live in the area.</p> <p>With the permission of the loft extensions in neighbouring street of Coity Road I believe that this should also be applied to Allcroft road. Looking at nearby similar properties in Queens crescent this has been allowed - yet Allcroft Road applications are regularly rejected which is entirely unfair especially with the planned developments of West Kentish Town estate those of us on the road will be affected by.</p> <p>It is time to enable the residents of Allcroft road the ability to improve our homes as nearby properties have been given permission to.</p>
