We welcome the energy-saving glazing. Given the status of the Listed Buildings and the special interest of the fenestration and glazed lights in the buildings, we note the reference to applications refs 2022/3694/P + 2022/4547/L where the officer's report dated 14/07/2024 at 4.6 stated 'Further details of the windows would be secured by condition.' We advise that the same condition should apply to the current application.</p> <p>Richard Simpson FSA, Chair PHCAAC.</p>
