Subject: Objection to Pay to Play Padel Court Cantelowes Gardens 2025/1301/P

Good afternoon,

I am a resident of the nearby Cantelowes Gardens and would like to express my objection for the installation of a Pay to Play Padel Court instead of the much loved and functioning community playground that is used extensively by families in this location. This area has long been used by the community and their children for play, one that is used for families gathering together. Sometimes there are up to 30 people and children using this area at one time which would be reduced to use for 4 people. It's not a bad idea to have a Padel court, but certainly not on the grounds of the only children's play area for us in the nearby vicinity. We would need to relocate to Camden Gardens which is an incredibly long walk and is not feasible with transport and the operations of doing this with young children.

Please reconsider your location for the installation of these courts. Children need a place to play and have time with their peers.

Best regards
Krisztina
