Hi,

I'm getting in touch to file an objection to **application ref: 2025/0981/P.**

I am uniquely well placed to know the damage that will be caused by the proposal because my accommodation overlooks the extensions at 10 and 12. The extensions are eyesores and should not have been allowed. Another extension of the same volume would be a disaster. The proposed extension would constitute serious overdevelopment and damage to the conservation area, as well as significant encroachment into my space and access to sunlight.

Thanks,
Wilf
