2024/0993/P	Cormac Rawson	59A Grange Road Sutton Surrey SM2 6SP	15/04/2025 07:32:36	SUPPRT	<p>I wish to express my strong support for this planning application for the following reasons:</p> <p>As a passionate theatre-goer, I am thrilled at the prospect of an internationally acclaimed theatre company establishing a permanent home in London. This will significantly enrich the city's vibrant cultural landscape.</p> <p>The development promises to create valuable job opportunities for local residents, contributing to economic growth and community wellbeing.</p> <p>The existing building on Shaftesbury Avenue is currently an eyesore. The proposed restoration will not only revitalise this historic structure but also celebrate and preserve its rich theatrical heritage.</p> <p>At a time when continued investment in London is essential to drive economic recovery, generate employment, and maintain the city's global reputation as a creative capital, projects such as this are both timely and necessary.</p>
2024/0993/P	Pete Mortimore	2 Marcus Street London SW18 2JT	15/04/2025 07:22:30	COMMNT	Excellent development that will benefit the community, the borough and London as a whole
2024/0993/P	David Roberts	27A Brondesbury Road	15/04/2025 08:50:28	COMMNT	<p>I am writing to support the proposal by Yoo Capital which will see the Saville Theatre become the Cirque du Soleil's permanent home in London's thriving west end, where a majority of our restaurants are located.</p> <p>I think that the hotel, immersive experience and F&B elements of the proposal will be fabulous for the West End and will bring not only the crowds, but also economic benefits in the form of new jobs but also social benefits that come from having the theatre (world famous) in the West End of our fabulous city.</p> <p>The part of London where the development will take place will also get a major boost in terms of visibility and pulse, given the likely huge footfall and fame that the development will bring to the area.</p> <p>I am fully supportive of the development and the application.</p>
2024/0993/P	Josh Cella	4 Omeara Street', London.	15/04/2025 09:09:55	SUPPRT	This is very exciting and feel it should have the councils support due to the jobs it will create and the boost it would give the economy. Much needed in London to bring some excitement back to the town.

2024/0993/P	Lauren Courtney	14 Highfields KT21 2NL	15/04/2025 08:24:55	COMMNT	<p>I fully support the plans to redevelop the Saville Theatre and believe planning permission should absolutely go ahead. This project will breathe new life into a building that has been neglected for far too long, transforming it into a vibrant cultural hub that our community can be proud of. Knowing that Cirque du Soleil will have a permanent home here is incredibly exciting - it means world-class entertainment right on our doorstep, with opportunities for discounted or even free tickets for locals, making the arts more accessible to everyone.</p> <p>Beyond the cultural benefits, this redevelopment brings real, tangible positives for those of us living nearby. The inclusion of public lounges in the hotel will create welcoming spaces where we can work, meet, or just relax. The plans also support local employment and small businesses, with 129 new jobs and a big boost to the local economy.</p> <p>I'm especially encouraged by the environmental improvements—urban greening, better landscaping, and cycle parking will make the area more beautiful and more sustainable. The developers have clearly listened to community feedback, reducing the building's height to protect views and the feel of the neighbourhood. This is thoughtful regeneration that respects the past while investing in our future.</p>
2024/0993/P	Rory Graham	19 Letchford Gardens NW10 6AD NW10 6AD	15/04/2025 08:08:08	SUPPRT	I am extremely excited by this and truly believe London needs more theatres and culture as well as the boost to the economy and further employment.
2024/0993/P	William	5a Hannen Road Se270dt	15/04/2025 08:43:23	SUPPRT	We need to restore this building. Otherwise a terrible peice of modern design will takes its place. To say no to this will ultimately mean you're bulldozing a piece of London's history. It's also in the middle of the West End. Where better than here would you put Cirque de Soleil. This project has my full support
2024/0993/P	Ed Devenport	4 O'Meara Street. SE1 1TE	15/04/2025 06:07:17	SUPPRT	Very Supportive of this application. What an opportunity to restore the Saville Theatre to its former glory as the home of an iconic live performance venue. I think it will be fantastic addition to the area and with the job creation alone this will be huge. This will particularly be the case for younger people in the borough who will not only be inspired but have the opportunity to start a career in the creative industry.
