

## ASYG12KMCE

Please visit our webstore for full product and technical documentation 

| Unit Type                                   | Remote Controller   | Wall Mounted      |
|---|---------------------|-------------------|
|   |                     | IR Included       |
| Nominal Cooling Capacity                    | (kW)                | 3.4               |
| Nominal Heating Capacity                    | (kW)                | 4.0               |
| Height                                      | (mm)                | 270               |
| Width                                       | (mm)                | 834               |
| Depth                                       | (mm)                | 222               |
| Weight                                      | (kg)                | 10                |
| Airflow Rate - Cooling - High               | (m <sup>3</sup> /h) | 700               |
| Airflow Rate - Heating - High               | (m <sup>3</sup> /h) | 780               |
| Sound Pressure Level - Cooling - High       | (dB(A))             | 40                |
| Sound Pressure Level - Cooling - Low        | (dB(A))             | 20                |
| Sound Pressure Level - Heating - High       | (dB(A))             | 42                |
| Sound Pressure Level - Heating - Low        | (dB(A))             | 22                |
| Sound Power Level - Cooling - High          | (dB(A))             | 55                |
| Sound Power Level - Heating - High          | (dB(A))             | 58                |
| Moisture Removal                            | (l/h)               | 1.8               |
| Refrigerant Type (Global Warming Potential) |                     | R32 (675)         |
| Liquid Pipe Size                            |                     | 1/4"              |
| Gas Pipe Size                               |                     | 3/8"              |
| Unit Power Supply                           |                     | From Outdoor Unit |
