2025/1460/P	Pooja Chakravarty	Apartment 702, Lessing Building Heritage Lane	15/04/2025 13:20:02	PETITNSU PP	<p>This will be massively useful to the residents in terms of safety and keeping unwanted cars out of the pathway. It will streamline entries to Heritage Lane as currently there are a fair bit of loitering wayfarers that are looking to gain access to the buildings.</p> <p>One thing to have a contingency for is for when the intercom doesn't work - it will be inconvenient for residents to walk to the front gate to collect deliveries and parcels if the intercom isn't working.</p>
