

Technical Submission

Document No: 16WS-PAC-TS-006	Rev: 01
Project: 16 Whitfield Street	Project No: 302

To: Make One Group	Date: 25/02/2025
From: Pace Roofing	

Approval of the following equipment is required:

Equipment: Wildflower
Blanket Species List

Make: Bauder

Description/ location: Main Roof – Green Areas

Design team spec refs/ Rev: Q37

Design team Drg. Ref/Rev: WB Blanket Seed Mix

1	Equipment Specifying schedule	N	6	Builders work requirements	N
2	Manufacturers data	Y	7	Assembly & installation details	Y
3	Design check calculations	N	8	O&M instructions	N
4	Certified performance levels	N	9	List of recommended spares	Y
5	QA/ QC Documents	N			

***Compliance** The enclosed documents are specification compliant: Yes ✓/ No ☐

Schedule of deviations 1. Confirmation – List of Species

2.

3.

N.B in submitting this selected equipment we have not reviewed the total system and its performance against the design intent (to be changed dependant on D&B and designed projects)

Planned on site delivery:

tbc
