Dear Camden

I am in opposition to the construction of the Lamorna development on Dartmouth Park Road for the following reasons:

- it is completely out of keeping with the character of the properties on the road and is in a conservation area
- it's height, bulk and mass represent an over development of the site
- it would dominate the area and cause shade and overlooking
- I am also very surprised that it would be allowed given even changing a window on our street took MONTHS of planning decisions.
- it is purely a profit making enterprise and won't provide homes for key workers for example
- it is a very ugly facade
- it would increase traffic - I cannot see any bike parking offered and we don't need more cars

BW

Dr Talia Barry
