2025/1009/P	Simon Eder	Flat 5 109 Greencroft Gardens London NW6 3PE	16/04/2025 19:49:50	NOBJ	Dear Jaspreet, I am writing as a Director of 109 Greencroft Gardens again. I understand that there has been an objection raised in relation to a proposed garden room by 109 Greencroft Gardens and this has included my wife, Sharon Eder's name. This has been submitted without her approval and my wife, who is cced in this email, would like to ensure that this is officially removed. Kind regards, Simon Eder
