Subject: Planning application 2025/0484/P

Good afternoon,

I live at 21 Lymington Road, NW6 1HZ and I am writing in relation to planning application 2025/0484/P, that is to say development of the O2 Centre.

As it seems the consultation window is open, I would like to register my vehement opposition to the development plan as it exists, including the recent revision.

I would like to see the O2 Centre be maintained as it is, with the car park in its present form. It is a vital local resource and should remain, especially given it is not at all old.

That said, I would support low-rise housing on the former Homebase site.

I do hope you will take my views into account during the consultation process.

Kind regards,

Richard.
