2025/1313/P	Rakesh Odedra	Ground Floor 11 Greville Road London NW6 5HY	16/04/2025 12:36:54	COMMNT	<p>I am the owner of the Ground Floor Flat at 11 Greville Road. Currently, in the case of fire to the front of the flat, I am able to open my bedroom window (which is at the red of the flat) and climb onto the flat roof of the basement flat.</p> <p>The new extension will have an open space under my bedroom window. This means that there will be a fall under my bedroom window, and I will not be able to use the window as an escape means in the case of a fire.</p> <p>I would prefer the winter garden/internal courtyard to be glazed over, so that I can continue to have an emergency fire escape.</p>
