2025/1383/P	Richard Simpson for Primrose Hill CAAC	12A Manley Street London NW1 8LT NW1 8LT	19/04/2025 12:13:19	NOBJ	<p>PRIMROSE HILL CONSERVATION AREA ADVISORY COMMITTEE 12A Manley Street, London NW1 8LT</p> <p>16 April 2025</p> <p>2 Eglon Mews NW1 8YS 2025/1383/P</p> <p>No objection.</p> <p>We note that the proposal does not establish a precedent for roof extensions in the Mews because it replaces an existing roof level structure. We also note that the proposed extension has enhanced energy efficiency. While the proposed design reduces the extent of glazing and thus the potential damage from light pollution, we request a condition to ensure that light pollution is minimised. We note that the proposed design also reduces the potential for overlooking.</p> <p>Richard Simpson FSA, Chair PHCAAC.</p>
