I am writing to object in the strongest terms to the removal of the children's sandpit and its replacement with a pay to use padel court.

There must be many other places where a padel court can be installed.

Cantelowes Gardens has been degraded over the past years with the addition of Skateboard area, all purpose pitch and outdoor gym. It is time to leave the park/gardens aspect alone or people to peacefully enjoy.

Please leave it alone from now onwards.

Sincerely, Kate Briere-Edney
