2024/0993/P	Zoe	110 Trinity Rise GFF	22/04/2025 15:52:06	SUPPRT	This sounds like a brilliant scheme to bring listed building back into use to add to London's cultural offering.

2024/0993/P	Harry N	Apartment 208 Margerie Court E2 9FH	23/04/2025 09:56:21	SUPPRT	Looks like a great project - that building is long overdue an upgrade and great that it will also bring culture and nightlife to the area!
2024/0993/P	Sam Burrows	29 College Gardens London SW17 7UF	23/04/2025 09:47:35	SUPPRT	This idea sounds great for the area. The new jobs created by such a project, as well as the additional footfall to local businesses will be fantastic. It will also continue the long history of the building being a centre point for the arts, while protecting and improving an important historic building.

2024/0993/P	Andrew Pinkney	Flat 10  20 Lombard Road SW11 3RU SW11 3RU	22/04/2025 10:58:08	SUPPRT	As a big fan of night life and performing arts, and a champion for both in London I think this can only be a good thing so I am fully supportive of this. On top of this I think that investment into this area is a positive.
2024/0993/P	Saskia Collins	Pancras Square NW1 1UN	23/04/2025 22:16:00	COMMNT	I fully support the revised proposals for the Saville. The restoration and revitalisation of this historic theatre will not only preserve an important piece of Camden's cultural heritage but also bring enormous social and economic benefits to the local community. The inclusion of Cirque du Monde, support for at-risk youth, educational partnerships, and job opportunities for residents makes this much more than a theatre—it's a community asset. I'm particularly pleased to see the height and massing adjusted following local feedback, showing a real willingness to collaborate. I strongly urge Camden Council to approve this visionary and community-minded project.
2024/0993/P	Charlie Higgs	Flat 95 Panoramic Tower E146FA	22/04/2025 16:12:58	SUPPRT	This sounds like a great project to support the local community, create jobs, and sustain London's cultural scene. I would like to submit my support for this planning application.
