Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990

### **Certificate of Lawfulness (Proposed) Granted**

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule: Hip to gable extension, rear dormer with juliette balcony and 3 x rooflight in front roofslope

Drawing Nos: 1423 001 and 1423 002

Second Schedule:  
**32 Richborough Road**  
**London**  
**NW2 3LX**

Reason for the Decision:

- 1 The hip-to-gable roof extension and rear dormer extension are permitted under Class B of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.
- 2 The rooflights in the front roof slope are permitted under Class C of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.

Informative(s):

- 1 The development would only constitute permitted development if the materials used in any exterior work to the hip-to-gable roof extension and rear dormer extension, subject to the grant of this certificate, shall be of similar appearance to those used in the construction of the exterior of the existing dwelling house, in accordance with Condition B.2 of the Town & Country Planning (General Permitted Development) Order 2015.
- 2 The development subject to the grant of this certificate would only constitute permitted development where the edge of the enlargement closest to the eaves of the original roof shall, so far as practicable, be not less than 20cm from the eaves of the original roof, in accordance with Condition B.2 of the Town & Country Planning (General Permitted Development) Order 2015.
- 3 The development subject to the grant of this certificate would only constitute permitted development where the roof lights would project no more than 150mm beyond the plane of the roof slope, in accordance with Condition C.1(b) of the Town & Country Planning (General Permitted Development) Order 2015.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

- 5 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 6 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with the National Planning Policy Framework. The council publishes its adopted policies online, along with detailed Camden Planning Guidance. It also provides advice on the website for submitting applications and offers a pre-application advice service.
