2024/0993/P	Ryan Dunn	119 Macmillan Way London SW17 6AU	25/04/2025 14:21:12	SUPPRT	Fully supportive of the development of the Theatre, it would be fantastic to see the site restored to it's former glory and bring so much benefit to the local area too. Supporting the arts is a key part of living in London and we should do all we can to ensure this opportunity is taken. Plenty of people out there are in need of jobs and this would be a fantastic driver for getting people into arts/hospitality industry roles.
