Dear Sir/Madam

**Town and Country Planning Act 1990 (as amended)**  
**NOTIFICATION OF AN APPEAL**

The Council has been notified of an appeal against the Council's enforcement notice, which has been made to the Planning Inspectorate. The appeal concerns property at:

**8-11 Upper Woburn Place**  
**London**  
**WC1H 0JW**

and the breach of planning control alleged in the enforcement notice is:

**Without planning permission: installation of 4x Air Source Heat Pump units and associated acoustic enclosure on the flat roof of the single-storey substation located adjacent to the Hotel on the Woburn walk elevation.**

and the reasons for issuing the enforcement notice are:

- The development has occurred within the last 4 years.
- The air source heat pump units and louvre screening by reason of their size, design and location result in a dominant, incongruous and disproportionate addition to the roof top, causing harm to the character and appearance of the host building and conservation area and to the setting of the adjacent Grade II\* listed building, contrary to Policy D1 (Design) and D2 (Heritage) of the Camden Local Plan 2017.

and the required action is:

Within a period of ONE (1) month of the Notice taking effect on 26 March 2025:

1. Completely remove the 4x Air Source Heat Pumps; and
2. Remove acoustic enclosure; and
3. Make good any damage caused as a result of the above works.

*Grounds of Appeal*

The appellant/s have appealed on ground (b) as set out at Section 174(2) of the 1990 Act.

- (a) That planning permission should be granted for what is alleged in the notice. ( )
- (b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact. (x)
- (c) That there has not been a breach of planning control. ( )
- (d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice. ( )

- (e) Copies of the enforcement notice were not served on everyone who has an interest in the land. ( )  
(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections. ( )  
(g) The time given to comply with the notice is too short. ( )

The appeal is to be decided by an Inspector from the Planning Inspectorate on the basis of an exchange of **written statements** between the people who have made the appeal and the Council, followed by a site visit.
