

Dear Planning Officer,

I am writing to express my support for the proposed development at the Frognal Garages site.

The design is tasteful and well-considered, blending seamlessly with the existing streetscape. The inclusion of just seven flats maintains a low density, and the enhanced greenery and thoughtful landscaping are a welcome improvement to the area. I also appreciate that the parking has been sensitively planned, with fewer cars dominating the frontage compared to the current layout.

Overall, this is a high-quality scheme that will add value to the neighbourhood without overwhelming it. I hope it receives your support.

Kind regards,

Max Kyte

Flat 1 Oakhill House, Oakhill Park, NW3 7LP
