Town and Country Planning Act 1990 (as amended)
Re: Application for the installation of a Cycle Hire docking station (20 docking points maximum and a terminal) on the footway adjacent to 155 High Holborn, London, WC1V 7BN in the London Borough of Camden.

Planning Portal reference: PP-13979855

I enclose an application by Transport for London (TfL) for planning permission for the installation of a Cycle Hire docking station (20 docking points maximum) and a terminal at the above address.

The location follows consultation with the London Borough of Camden and is funded via S106 funding associated with application 2023/2510/P.

The Cycle Hire scheme is now a familiar public transport mode which allows people to hire a cycle from a docking station and return it to either the same or another docking station. It also encourages active travel, offers a sustainable and low emission form of transport and provides users with the fastest option for many short journeys.

The proposal is described in full in the Planning Design & Access Statement.

The application has been submitted via the Planning Portal. It consists of:

- Planning Application Form
- Community Infrastructure Levy (CIL) form
- Planning, Design and Access Statement – for information only
- Planning Application Drawings Comprising:

Drawing Title

High Holborn_LOC
High Holborn _EP
High Holborn _GA
High Holborn _TD
High Holborn _DPD
High Holborn _FD

Foundation Design

I look forward to receiving confirmation that the application has been received and registered as complete.

If you wish to discuss this matter further, please do not hesitate to contact TfL on Michaelraby@tfl.gov.uk

Yours faithfully

Michael Raby
