2025/1791/T	Angela Cash	Flat C 53 Fitzjohns venue Hampstead	07/05/2025 09:07:03	AMEND	Following a conversation with Dr Jones last night i misunderstood, the tree that is being removed is further down the garden so i have no issue with it being removed. The tree that i was referring to by my terrace, she has agreed to trim it by approximately 6 feet and isn't thinned out then it is ok with me
2025/1791/T	Angela Cash	Flat C 53 Fitzjohns Avenue Hampstead	06/05/2025 10:50:39	SUPC	I have no issue with the tree being trimmed by around a meter but if the tree is taken away then i will be overlooked on my terrace by the various apartments on several levels (14 windows) on the left side and also in to my living room/kitchen too as the buildings is very close to each other. If the terrace was totally exposed i would not have bought the apartment
