

NOTES

1. This drawing is copyright. ©
2. The drawing shall be read in conjunction with all relevant drawings and the specifications.
3. The drawing shall not be scaled; use only figured dimensions. All dimensions are shown in millimetres and levels in metres.
4. Dimensions and conditions shall be verified on site. Any discrepancies between the drawing and site conditions shall be brought to the attention of the Engineer for resolution prior to placing orders or to construction.
5. All work shall comply with the Building regulations and the requirements of the local authority, current Codes of Practice and British Standards.
