

The White Company Hampstead - Design & Access Statement

May 2025

This statement forms part of the listed building application for works to the following site:

Address - 46 Hampstead High Street - GRADE II LISTING

Please note, this is not a standalone document and must be read alongside the plans submitted alongside this report, which constitute the principle information; this supports the Listed Building Consent Application in particular.

Description of Development

1. Internal changes that will not affect the material make up of the shopfront.
2. New installation of security grilles - fixed to new elements of fit-out previously approved - no material changes to any listed element
3. The new security grilles will be designed to be as discreet as possible to ensure good visibility into the retail store and display windows. Concertina grilles to be visible outside of trading hours only due to on-going security issues in the Hampstead High Street area.

Philosophy & Approach

Access into building - As existing

Design Proposals - The Listed Building application is for proposed works as described above.
