| 2025/1768/T   | MAUREEN<br>PARRY | 5 Camden Square<br>NW1 9UY | 10/05/2025 19:06:02 | OBJ     | I am opposed to this tree being felled. Losing a tree has a huge impact on outlook for nearby residents, especially for people living in upper flats, offering privacy, shielding from built-up views and giving a green pleasant outlook which is good for mental health. This tree is near a road so it buffers traffic noise and collects polluting particulates in its foliage. |
