I refer to the copy of the above planning application, which was received from you on 03 April 2025. On 12 May 2025 Jules Pipe CBE, Deputy Mayor for Planning, Regeneration and the Fire Service, acting under delegated authority, considered a report on this proposal, reference 2025/0304/S1. A copy of the report is attached, in full. This letter comprises the statement that the Mayor is required to provide under Article 4(2) of the Order.

The Deputy Mayor considers that the application does not yet comply with the London Plan for the reasons set out in paragraph 46 of the above-mentioned report. Possible remedies set out in that report could address these deficiencies.

The application represents EIA development for the purposes of the Town and Country Planning (Environmental Impact Assessment) Regulations. The environmental information made available to date has been taken into consideration in formulating these comments.

If your Council subsequently resolves to make a draft decision on the application, it must consult the Mayor again under Article 5 of the Order and allow him fourteen days to decide whether to allow the draft decision to proceed unchanged; or direct the Council under Article 6 to refuse the application; or issue a direction under Article 7 that he is to act as the local planning authority for the purpose of determining the application and any connected application. You should therefore send the Mayor a copy of any representations made in respect of the application, and a copy of any officer's report, together with a statement of the decision your authority proposes to make, and (if it proposed to grant permission) a statement of any conditions the
