2025/1720/T	István Szoke	6A Nutley Terrace	13/05/2025 12:33:32	COMMNT	This tree is poorly located. I share drainage with 6B Nutley Terrace and I know it causes issues for our shared drainage. I find this tree unattractive and I support the householders suggestion to replant with a similar tree in their rear garden.
