2025/1831/T	Maggie Gilliam	The Old Hall South Grove N6 6BP	13/05/2025 13:11:17	INT	The Maple tree referred to in this application is not located at 1 The Old Hall. It is on my property at The Old Hall shown correctly on the PNG image in the supporting documents..The tree is protected by a preservation order, a fact denied on the Application form. I was under the impression that Mrs Raphael was proposing to trim branches mainly over hanging her property at 3 Bacons Lane. This very majestic, beautiful tree would be further spoiled by the proposed reduction which I cannot agree too. I would very much like to meet with the tree officer and other interested parties on site in order to discuss what might be appropriate.
