

Dear Sir/ Madam

My name is Ferdane Indzhe and I am resident of flat 1 48A Grafton Road NW5 3DY. As a family we have been enjoying MAP Cafe for the past nearly 3 years. Yes there are some casual late night events but rarely. I find the noise coming from the cafe not at disturbing level ( considering the fact my bedroom window faces the cafe). I think Map Cafe is very important for our community as I see many local residents enjoying the venue on regular basis. The live music and the special events adds value to our neighbourhood and the venue is also family friendly which makes it even more special! Hope you find my opinion valuable and take into consideration.

Regards

Ferdane Indzhe
