2025/1683/P	Paul Preston	82 Vesage Court 8a Leather Lane London EC1N 7RF	16/05/2025 10:36:22	OBJ	Increasing the height of this building is not accepted and is breaking rules already in place By 652mm therefore a technical breach of the viewing corridor and should Therefore be blocked, this will probably be blocked by the council But feel the more comments the better. The view we have is not fantastic At present and this heightened building would not help
