Dear Camden Council

I am writing to express my support for the above planning application.

I grew up in the London borough of Camden, and have known MAP from its earlier days, and in more recent years, as a local resident and customer.

It is a unique and special place, especially now as a cafe hosting various groups, including fortnightly folk music nights, which I go to regularly.

It is a vital and welcoming place in the neighbourhood for community and cultural life.

I am writing this email, rather than posting a comment, as I do not wish to have my personal address viewable in public.

Please acknowledge receipt of this email, and inclusion in the consultation.

Yours sincerely,

Anna Lerner
