2025/1683/P	Flora Wong	Jeygrove court hatton garden EC1N 8LB EC1N 8LB	20/05/2025 22:39:09	OBJ	As residents of Jeygrove Court, we have been contacted by neighbours at Gamages Estate in regards to the proposed extension of the building at 19 Charterhouse Street - mentioning that the construction would increase the height of the building by 20 metres. This would cause years of disruption in terms of noise for hundreds of residents in the local area, and not serve any local purpose, especially given the main road of Chancery Lane / High Holborn already has several unoccupied commercial property for years ehat even the UK's largest chain businesses (WHSmiths, Curry's, Blacks, Starbucks) seem not to be able to afford to keep operating in. This would be so detrimental visually for our view from our estates also. Please consider the tenants who have lived here our entire lives.
