Supporting information

Outline how the table and chairs will be managed (i.e. management plan)*

The below is in addition to any conditions within the premises licence which will be extended to the outside area when in use.
Square tables will be placed equidistant across the main front window of the premises, one chair either side of the table - all parallel with the building line affording 2m of space for pedestrian traffic.
Tables will be regularly cleaned by staff, at a minimum of after each use.
The pedestrian area will be regularly checked and cleared of any detritus and waste, whether from the premises or not.
At the end of each day the tables (which fold) and the chairs (which stack) will be brought into the premises for storage.

Outline what measures will be adopted to minimise noise

nuisance and disruption to local residents and members of the public (i.e. management plan).*

As per the premises licence conditions, which will be extended to pavement licence area when in use;
Staff will at all times monitor customer behaviour to ensure that levels do not give rise to concern and disturb residents or passersby.
Notices will be displayed at the premises asking customers to respect the needs of local residents and other businesses.
The tables and chairs will only be available to use by customers.
The telephone number of the management will be made publicly available.
Staff will be trained to identify signs of intoxication, suspicious or aggressive behaviour and how to appropriately deal with such customers so as to provide assistance and minimise risk

Include a risk assessment for the use of electric heaters*
