Kudos to the team at this estate as it is spotless in comparison to other nearby areas and it is one of the places I can actually go to with my young children and enjoy the atmosphere whilst feeling safe as they have lots of security there, as well as a Zizzi's restaurant which my kids love.

Sadly my workplace doesn't have an outside space so I sometimes have my lunch on the lovely seats there so this temporary tv screen will be an added bonus while I eat my sarnie!!!!
