2025/1706/P	Belinda Hollway	20 Broomsleigh Street	28/05/2025 23:39:03	SUPPRT	I am very supportive of this application. Instead of a run down empty store which had become an eyesore on a prominent part of West End Lane, we now have well-maintained building with a lovely small independent business. It complements the Saturday market well and enhances the character of the neighbourhood, providing something new and a bit different. I vet much hope the council approves this application.
